### A little about "P.M. David Silva & Sons

Established in 1945 during the Plantation Raj in Ceylon's world famous Dimbula Valley. The company was founded on Brunswick Estate in the fertile Maskeliya Valley as a small independent Tea Shop for tea plantation workers to gather, relax and enjoy a quality cup of tea. The business and the family soon expanded to become a specialist Tea Transporter and Plantation Supplier. Today, three generations on, they remain a family company bringing the world's most sought-after teas that are hand-plucked and ethically sourced.
